

# **Assistant Professor European Public Health at the Faculty of Health, Medicine and Life Sciences (FHML) of Maastricht University**

---

## **Job description**

The position is that of a full time Assistant Professor within the Department of International Health at Maastricht University ([www.inthealth.eu](http://www.inthealth.eu)). The Assistant Professor has to coordinate education activities and to teach Health Systems *or* Health Strategies *or* Evaluation of Public Health measures and policies in a European perspective. Teaching activities are mainly integrated in our Bachelor and Master (both English taught) programmes "European Public Health".

The successful Assistant Professor applicant has a research profile and interest to work in comparative health and/or Europeanization of health and/or cross border health care.

---

## **Requirements**

PhD-degree in health sciences or related fields. An adequate educational and research track record. Expertise in acquiring research funding. Excellent research and teaching capabilities. Good organisational skills. International network and experience. Excellent English language skills (written and spoken). Experiences with European public health institutions would be an asset.

---

## **Conditions of employment**

*Prior to an appointment for an indefinite period, there will be an appointment for a definite period of 4 years.*

The salary is dependent on academic qualifications and experience. The salary will be set in salary scale 11 or 12 of the collective labour agreement of the Dutch Universities (minimum € 3,195.00 and maximum € 4,970.00). For the people recruited from abroad tax facilities may be applicable.

The Faculty of Health, Medicine and Life Sciences of Maastricht University offers the possibility of teaching and interacting with high-level graduate students and a pleasant, international working environment.

The terms of employment of Maastricht University are set out in the Collective Labour Agreement of Dutch Universities (CAO). Furthermore, local UM provisions also apply. For more information look at the website <http://www.maastrichtuniversity.nl/> A-Z Terms of Employment.

On <http://www.academictransfer.com/coming-to-the-netherlands> you will find more information on working in the Netherlands.

## **Contract type**

Temporary 4 years.

---

## Organisation

### Maastricht University

Maastricht University is renowned for its unique, innovative, problem-based learning system, which is characterized by a small-scale and student-oriented approach. Research at UM is characterized by a multidisciplinary and thematic approach, and is concentrated in research institutes and schools. Maastricht University has around 14,000 students and 3,500 employees. Reflecting the university's strong international profile, a fair amount of both students and staff are from abroad. The university hosts 6 faculties: Faculty of Health, Medicine and Life Sciences, Faculty of Law, School of Business and Economics, Faculty of Humanities and Sciences, Faculty of Arts and Social Sciences, Faculty of Psychology and Neuroscience.

---

## Department

### Department of International Health

The Department of International Health at FHML has a European outlook which originates from the content of the key-activities of the European Union. The "Europe" of the department is not limited to the Member States of the EU, the department's activities cover the WHO-EURO region.

The department will influence national, transnational, and European policy and institutes taking advantage of the geographical situation of Maastricht in a Euregional setting. Its education and research places local, regional, and national health developments into a wider European and global perspective. The department is active in European projects which are related to the education and research in health.

The department is leading in and outside the faculty in conceptualizing the European perspective towards health.
